FEBRUARY FESTIVITIES

Promise to Make Rest of Winter Months Sit up and Take Notice

February festivities are so pronounced that one feels that Spring must be in the air so full of zest is this joyous month and rich in social events of every character. If Leap Year's realization is somewhat lagging and wedding bells are not yet tuned the outlook is never the less very excellent if social intercourse and opportunity for mingling count for anything and meanwhile, the immune and captured are having a most royal February.

Choir Entertained

The augmented choir of Trinity Episcopal Church were entertained last Friday night by Mr. and Mrs. Ralph Hotz. The juvenile members of the choir were provided with special features for their enjoyment even to the refreshments which included the popping of corn and the toasting of marshmallows at the big fire place. Then there were games and also cards for the older members, music and other features. About twenty young people were present and voted Mr. and Mrs. Hotz capital host and hostess.

Wooden Wedding

Mr. and Mrs. E. T. Casson celebrated their fifth anniversary Friday night last and not only entertained a large number of friends and neighbors, but also the White Shell Club which surprised the popular couple and made the affair complete from every standpoint of sociability and jollity. The affair of course was a wooden wedding and many and beautiful were the gifts showered upon Mr. and Mrs. Casson by those who came to celebrate the fifth milestone of their wedded life. The piece de resistance among the gifts was the one bestowed by the White Shell Club, a handsome fireside basket suitably adorned with decorations and inscribed with the best wishes of the organization.

Cards and dancing were the order of the evening. Hansen and Craib furnishing music for the merry-makers.

A clever burlesque number was also contributed by A. Sycowski, garbed as a begoggled dignitary

and armed with a chicken catching net he recited some original verses provoking great merriment. At midnight a sumptuous repast was served and the guests departed later amid shower of congratulations which they heaped upon Mr. and Mrs. Casson as they bade them a reluctant good night.

Tuesday night the Native Sons started the social ball rolling and Tuesday afternoon there was a pleasant gathering of the Congregational Ladies Aid at Mrs. Henry Lutgens. Tuesday night the P. N. Stofen home was the scene of a large gathering.

The Parishaid

The parishoners of Trinity Church held their monthly meeting and Mrs. P. N. Stofen and Miss Meta Stofen were the most delightful of hostess. Their beautiful house was brilliantly illuminated for the occasion and decorated in great sprays of greenery and pussy willows. The evening developed into an impromptu musicale to which Mrs. Ralph Hotz contributed vocal selections and Mrs. James McElney charmed with her brilliant piano numbers. There was also much choral singing and college songs held a favored place among the selections during the evening.

Rev. W. T. Holt discoursed on the "Coming Lent" which was listened to with deep interest by those present. Dainty refreshments concluded the evening.

Mrs. H. W. Gottenberg was hostess to the Bridge Club Thursday. The prize was captured by Mrs. Sam Haven who won the handsome embroidered tray cloth.

Railroad Boosts for Summer

The Northwestern Pacific Railroad Company announces its preparation for issuing "Vacation" for 1916 and all who want summer boarders are urged to send in their names for the handsome annual.

The Northwestern is the pioneer booster and R. X. Ryan years ago launched the good ship prosperity for this section, which is now being further exploited by his successor, J. J. Geary. Accommodations available should be listed at once.

J. Seiger and daughter of Glen Ellen had a narrow escape from serious injury Monday, when the horse they were driving shied at the auto bus near the State Home, throwing them out of their buggy into a ditch.

MRS. LITZIUS PASSES AWAY

Former Resident of Sonoma Dies at Home in San Francisco

Mrs. Henrietta Litzius, wife of L. Litzius a former resident of Sonoma, died at her home in San Francisco last Monday. Mrs. Litzius who was a native of Posen, Germany, aged 78 years, came to Sonoma with her husband in 1868 and lived here continuously for 26 years rearing a large family of children who survive her.

The esteemed pioneer lady leaves a large circle of old friends who sympathize with the husband and family in the loss of a good wife and mother. She was a member of Valley of the Moon Chapter Order of Eastern Star.

The funeral took place Thursday in San Francisco and was under the auspices of Mission chapter No. 155 O. E. S.

Mr. Litzius, the husband of deceased was in the grocery business on Broadway for many years and was a large property owner here. The surviving children are Mrs. Katie M. Cronk of San Francisco, Mrs. Clara A. Fields of New York City, Nellie and Louis Litzius, Jr.

GRAMMAR SCHOOL IS FINISHED

Sonoma's new \$30,000 Grammar School is finished at last, and has been turned over to the trustees who expect to make the final payment of \$12,000 on the contract shortly.

Furnishings will be selected Monday and a week's vacation arranged in order to get settled in the new quarters.

It is said that contractor Ingram's final payment will not be sufficient to meet all obligations but this will in no way effect the district's coming into possession and enjoyment of the splendid new building.

Claims will be passed on by District attorney Clarence Lea and the money paid in accordance with the ruling as to their priority.

Dr. Tony Nufer had filed a counter charge against his accuser in the Petaluma encounter of last week but both cases were dismissed.

D. Vernon of Richmond has leased a six acre tract from S. Shofner and he will plant it to savory garlic. The lease was effected by the Sonoma Real Estate Co.

Mrs. Button has had a severe attack of influenza but is much improved under the care of Dr. Gobar.

Rev. Mr. Rathbone is expected to occupy the pulpit in the Congregational Church, pending the selection of a resident pastor.

Christian Science services held every Sunday at 11 o'clock; 2nd street East—third house north of Napa street.

PLAZA PLANS REQUIRE MONEY

So Says Professor Stephens in Regard to Proposed Scheme of Beautification

Professor Stephens of the University of California, accompanied by Horace Cotton, a graduate student, came to Sonoma on Monday last, bringing with them the proposed development plan for the beautification of the Plaza. The plan has commended itself to all who have seen it but Professor Stephens admits that it is a question of so large an amount of money, that the work would have to be done in units as were the parks at Santa Barbara, where conditions were similar to those that confront Sonoma.

Professor Stephens favors the improving of the portion of the plaza around the Library and the Bear Flag site, the conditions of this area lending itself more easily to adornment with minimum expenditure. The plan as a whole calls for oil macadam walks twenty feet wide from the Broadway side to Spain street also for six foot winding paths leading from this to the various other entrances. The City Hall is to be surrounded by four grass plots and the Library to be banked with attractive shrubbery, with lawn in front. Provision is also made for artistic sun dial, childrens play ground etc. The trees remain practically as they are bordering the different paths and the ground in the vicinity of the Bear Flag monument is to be reserved for patriotic exercises.

Mr. Cotton who is interested in presenting this plan for Sonoma, is drawing plans for the park surrounding the Oakland Auditorium. Mr. Navon, who first had the work in hand has gone to Peru where he is associated with the Guggenheims as a mining expert on property 10,000 feet above sea level. Professor Stephens expects to visit Sonoma again shortly and to recommend a landscape scheme for the setting out of the shrubs given to the city by Monsieur Caillieux. The Womens Club and the City Trustees discussed the plan at a meeting last night.

Womens Club

The Woman's Club primaries resulted in the naming of all the old officers of the club with the exception of Mrs. M. H. Rowell, who declined the secretaryship and will be succeeded by Mrs. Burlingame. No member receiving the majority for first vice president, this office will be voted on at the regular election.

The Club has enthusiastically formed preliminary plans for a grand May Day Festival, (which however, may be held on the Saturday previous) which will include competitive May Pole dances, Folk dances, a spectacular Shakesperian Pageant and grand ball in costume in the evening. No pains will be spared to make it a rarely beautiful as well as historically true event. To arrange further details, a committee was appointed, consisting of Mesdames Burlingame, Hays, Rowell and Misses Lower and Hyde.

The funeral took place Thursday from St. Francis' Church, interment being in Catholic Cemetery. Deceased is said to have had no living relatives.

RICHARDS LETS HOTEL CONTRACT.

It is to be a handsome stone structure with Spanish tile roof. Every room will be steam heated and have hot and cold water, making the hotel ideal for both winter and summer.

The location of the new structure is to be on the side of the road where the bath house and swimming tank are now located and its proximity to the baths, will add to its convenience and attractiveness. The contractor will begin work at once.

Writes From Italy.

Joe Guidi, who was formerly an employee of L. Quartaroli and returned to Italy at the outbreak of the war in hopes that he would be called to the front has written that he is well but misses his old Sonoma friends. He has not yet been called from the reservists, but stands ready to fight for his country at the first opportunity.

SCHOOL ELECTIONS HOLD INTEREST

Register Now to Vote For Three High School Trustees in April

The election of school trustees on April 7th in bringing home to our voters the necessity of immediate registration in order to vote at this important election when both the High School and Grammar School Boards will change their personnel or elect old members to preside over the educational destinies of the community for another term. The vacancy on the High School board caused by the death of Henry Rubke has not as yet been filled as County Superintendent Florence Barnes knew that the election was near at hand and preferred to leave the choice of Mr. Rubke's successor to our voters. In connection with this vacancy the names of Jim Tate and Henry Watters have been mentioned.

Trustee Ranker's term expires and a new Glen Ellen man is to be elected. Robert P. Hill's term also expires but he will undoubtedly be put up for reelection.

There is some talk of naming a woman on the Board as with the Domestic Science department in the High School there is a new field for feminine activity in connection with problems to which this work gives rise. The hold overs on the Board are President J. Dowdell and Dr. W. B. Hays.

The Grammar School election will be held on the first Friday in April when the term of Trustee Carl Dressel expires.

In Flowery district Trustee Ringressy announces a special election on March 21st for the voting of funds for a fine new school house. Every one there should register at once with Mr. Ringressy who is a Deputy Registrar.

The Sonoma Driving Club Reorganized.

The Sonoma Driving Club was reorganized for the season of 1916 and elected the following officers at a meeting Tuesday night: Sam Lewis, president; J. F. Lindley, secretary and Joe Ryan, treasurer. The race track on the Monahan property has been leased for another year and enthusiastic plans are on foot for some fine events. The membership at present is comprised of the following well known admirers of good horse flesh: Messrs. Lewis, Lindley, L. Brubeck, Loneragan, J. Murray, J. Millerick, T. Millerick, C. Potter, I. Laveroni, V. Laveroni, P. Perazzo, J. Valente, S. O'Leary, J. Sterling, J. Burris, J. Ryan, Tom Ryan, Otto Brandt, Geo. Breitenbach, J. Keechler, W. Murphy, E. Mullen.

PUBLIC INSTALLATION OF MASONS.

Fine Ceremonies and Banquet Thursday Night

Masonic Hall was the scene of a brilliant affair Thursday evening when Sonoma Lodge No. 14 F. A. M., held a public installation and banquet to which the Ladies of the Eastern Star and friends of the Order were invited.

The work was conducted in a masterly manner and the installing officer was Past Master Robert P. Hill of Eldridge, who after inducing the new officers into their honored places for the ensuing year, delivered an able and interesting talk on the history and significance of Masonry.

R. E. Murphy was presented with the Past Master's jewel and acknowledged the honor conferred upon him in a few well chosen words.

After the ceremonies there was a splendid musical program to which Miss Nancy Bates contributed two cradle songs, Miss Henrietta Weber, the aria from "Samson and Delilah", Al Jansen popular melodies, M. H. Rowell, a bandolero and ballad, with Mrs. Rowell accompanying most artistically at the piano, and Frank Knolle a classic violin number. Miss Alta Rice was at the piano for most of the soloists, while Jerome Jansen presided over the ivories for the excellent orchestra, which furnished the music for dancing which followed. A beautifully appointed banquet was served during the evening under the able direction of the Order of Eastern Star ladies. The decorations were violets, acacia and spring blossoms and the feast most bounteous.

The following officers were installed: B. Bordson, Worthy Master; W. B. Hays, Sr. Warden; A. S. Luce, Jr. Warden; A. T. Jansen, Sr. Deacon; Karl Weishaar, Jr.; Deacon; G. H. Hotz, Treasurer; H. W. Gottenberg, Secretary; M. J. Power, Sr. Steward; Howard Gaige, Jr. Steward; R. E. Murphy, Marshall; C. A. Whitmore, Chaplain; Thos. Harris, Tiler.

Chelini Estate Worth \$50,000.

The will of the late Guiseppe Chelini was filed for probate Wednesday at Santa Rosa by Mrs. Sorini and John Chelini, children of deceased, who are represented by Attorney R. A. Poppe. It disposes of personal and real property aggregating \$50,000. The instrument bears the date of February 18, 1913, and R. A. Poppe and P. Basaglia were witnesses thereto. The beneficiaries are Anna Sorini, Matilda Reith and Mollie Toso, daughters; John and Joseph Chelini, sons; Edith Chelini of Vallejo, a granddaughter, and Maria Silva. The latter beneficiary has just died and her share is said to be something like six or seven thousand dollars. She is not thought to have any relatives.

Congressional Situation

From the unmistakable evidence of the desire of California voters to maintain party lines, it is not likely that Wm. Kent of Marin County can slip one over on the people of the Second Congressional District when he attempts to covet the nomination of all parties for Congress at the August primaries as he has announced will be his intention. It has been thoroughly demonstrated that when vital national issues are at stake the principle of a party towers above personality because party platform is what the voter pins his faith to and is the only guarantee that a legislative program will be carried out in accordance with the will of the people. Scattering personal theories would result in nothing big being accomplished for national welfare and Mr. Kent's avowed theory of personal force at Washington makes him an odd one, whose vote is lost in the shuffle when not working in unison with the men sent there to uphold, for instance the Protective tariff, which will undoubtedly be the greatest issue of the coming campaign. A Republican must be sent to Congress, who will see to it that good times will return to all kinds of national industries and that national indebtedness, which has been soaring will be kept at a point understandable and within reason.

The time was never more necessary for our voters to send a strong Republican to Congress from the Second district and never less propitious for the candidacy of a man like Mr. Kent, who is a chameleon politician and neither fish nor flesh nor good red herring though he would aspire to be all.

Strengthening Agricultural Fibre

Combination for the purpose of having an intelligent understanding of conditions governing the supply and demand for California produce is an excellent thing and if our farmers can be protected by knowledge of the Eastern market and method of marketing through the medium of an authorized commissioner, it will prove a boon to our growers. Every farmer will then govern his own business and it will put farming on a high firm basis. Anything that tends to make this important sphere of supplying food for the multitudes a more exact and exalted science, is worthy of serious study and encouragement. It is such an excellent idea that politicians seize on it as a vote catcher but it is not an original measure of any present day politicians though such are entitled to credit for having restored it to its rightful place in current consideration.

Now with rural credits there is a question as to whether we would really through this innovation strengthen the agricultural fibre of the land in a country such as ours.

The "Dry" minister who got in trouble and picked out a lawyer who was "Wet" to defend him, made public admission that irrigated brains are not necessarily inferior to the other kind.

NOT ENOUGH CHILDREN

ever receive the proper balance of food to sufficiently nourish both body and brain during the growing period when nature's demands are greater than in mature life. This is shown in so many pale faces, lean bodies, frequent colds, and lack of ambition.

For all such children we say with unmistakable earnestness: They need Scott's Emulsion, and need it now. It possesses in concentrated form the very food elements to enrich their blood. It changes weakness to strength, it makes them sturdy and strong. No alcohol.

AGED PARENT DIES IN CANADA

Mrs. R. B. Thomas was notified by telegram this week of the death of her father, Mr. Lancaster in Burgesville, Canada. The old gentleman was 89 years of age and had been in failing health some time although his vitality was so remarkable that Mrs. Thomas had planned to make a trip home in the Spring and was hopeful of seeing him before he died. Her hope however was doomed to be unfulfilled. Mrs. P. L. McGill, how had visited in Canada recently and brought back word of the old couple and also their pictures. Mrs. Thomas who was still a young girl when she married and left home scarcely recognized her folks for "silvery threads among the gold" had wrought great changes in them and so different from her remembrance were their photographs that she longed to see them in their declining days but now it will be the dear old mother alone bereft of her life partner that she must comfort if her present plans for a trip home are realized. There are other children in Canada, among them a son who formerly resided here who is comforting Mrs. Lancaster in her late bereavement.

NATIVE SONS INSTALL OFFICERS.

Ceremonies Followed by Big Social Time in Which Many Participate

Sonoma Parlor 111 N. S. G. W. held a public installation and banquet Monday night, which was participated in by the Native Daughters and many friends of this popular and flourishing fraternal order. J. M. Sobbe of Glen Ellen was the installing officer and the work of the parlor was carried out in a most commendatory manner. After the ceremonies, which concluded about 10 p. m., dancing was inaugurated and the Natives with their ladies and their guests passed away several jolly hours tripping the light fantastic and enjoying a delectable spread, which was served in the adjoining banquet hall. A novel feature of the dance was the introduction of several leap year numbees, when the fair sex chose their own gallant partners and lead them out to the "joy whirl."

It was 2 a. m. before the jolly affair broke up and everyone had a good time.

Following are the officers for the ensuing term: Past President, Geo. W. McGill; President John F. Picetti; First Vice President, Chas. E. Groskopf; Second Vice President, Jos. I. Keiser; Third Vice President, Fred C. Helberg; Marshal, Wm. E. Helberg; In. Sentinel, Albert Groskopf; Out. Sentinel, Albert J. Kerner; Trustees, Alfred T. Jensen, G. W. McGill, J. F. Prestwood; Treasurer, R. A. Pauli; Secretary, L. H. Green.

Presentation Convent

With the coming of better weather the sisters of the Presentation Convent are expecting the attendance of their school to steadily advance as there are constant inquiries concerning the various courses given by this excellent educational institution and many of our most successful business and professional young people had their training there. The Commercial course is up-to-date in its methods and the opportunity for music and culture the best in the Valley.

Mrs. Hall of San Anselmo is recovering from a rather critical illness and her mother, Mrs. McElroy, has returned to the pretty Marin County town to again be with her daughter.

CELEBRATE GOLDEN WEDDING IN TENNESSEE

From way down South in Tennessee comes the announcement of the golden wedding anniversary of Daniel E. Bushnell and Marcelle Smith who were married here in Sonoma in 1866.

Bushnell, then a young theological student at Cumberland Presbyterian College, took as his bride Marcelle Smith, relative of Mrs. Mary Campbell, deceased. Mrs. Legro and Mrs. E. Palmer of Santa Rosa. Mr. and Mrs. Bushnell removed to Suisun where he was a pastor of a church for several years, moving finally to the southern States where they have passed many happy years together. A daughter of the esteemed couple holds a life long position of trust at the White House in Washington D. C.

Mrs. Amelia Bates went to school with the former Sonomaites at a private school where now stands the El Dorado hotel and after finishing there Rev. Bushnell attended Cumberland theological College which is now the site of our High School. Mrs. Bates was the recipient this week of the fifty year anniversary invitation beautifully engraved in gold, requesting her presence at 21 Clark St., Chattanooga on February 17th.

Will Run Against Weise

Wm. Evart, the well-known resident of Penngrove when asked by a reporter if he was going to enter the race for supervisor at the fall election, stated that he had definitely decided to throw his hat in the ring. The district includes Vallejo and Sonoma townships and Penngrove and Elmore districts.

Harry Weise is the present incumbent and it is understood will again run for office.—Republican.

Mr. Weise when shown the above announcement said he knew of his rival and that he was a store keeper of Penn Grove but had so far never wrested any wreaths of political preferment from the Fates. When asked concerning his own candidacy for re-election, Harry blushed, but did not deny the soft impeachment. He was shaking hands with Sonoma admirers last Monday.

Rev. T. M. Price and wife left for San Francisco Monday. Mr. Price continued on to Los Angeles where he is awaiting a call to a Southern California Church. Mrs. Price remained in San Francisco for a short visit with her daughter.

PANCRAZI TO OPEN AUDITORIUM

Will Celebrate Occasion With Fine Ball and Supper February 21st

J. Pancrazi will throw open his fine new auditorium at Glen Ellen to the public on the eve of Washington's birthday, February 21st and will dedicate it with a grand ball and an Italian supper to be served at midnight. The floor of the new auditorium is one of the finest marble dancing surfaces in Sonoma Valley. Later in the season moving pictures will be a feature at the auditorium.

An Oakland parlor of Native Sons accompanied by their band, and a large crowd from San Francisco will participate in this gala event which is being looked forward to with eager anticipation by party lovers all over Sonoma County. Mr. Pancrazi and his family have the esteem and friendship of many people throughout the State and are known for their hospitality.

CHINESE NEW YEAR IS CELEBRATED.

Local Chinatown has been turning over a new leaf for the New Year so dear to the hearts of celestials was again on the Chinese calendar and the gay chatter and spicy incense of burning punks, stole out to stir the curiosity of prosaic Melican man as he passed the well known haunts of the celebrants.

The celestial boss and arch entertainer was Joe Lock, who although he lives in American style in an American cottage and dresses in ultra-smart American clothes all year, joins with his descendants at the New Year. Lock is American born and has mastered all the advantage of the middleman's position in financial matters and as a result is not only influential but wealthy. He has a safe deposit box at a local bank and keeps \$1000 worth of gorgeous jewelry therein with which he adorns his wife on such gala holidays as the present one. He claims to have been offered a position with the State Board of Pharmacy as a gum shoe man to tip off opium joints but after taking in the methods of the reformers as exemplified by a recent raid at Newcastle, he refused to be a party to the game and is content to confine his superior wisdom to activities among the people of his own race.

DANCE TONIGHT AT GLEN ELLEN

The Women of Woodcraft give a dance tonight at Chauvet Hall and the popularity of the ladies as hostess on all social occasions assures a fine attendance and a good time.

In deference to the fraternal order Mr. and Mrs. Richard of the Agua Caliente Auditorium will close their big amusement hall tonight and send their fine orchestra up to the Glen Ellen dance which is a guarantee of splendid music and quite a delegation from Agua Caliente.

We print visiting cards. Phone 931.

BUNDSCHU'S ACCOUNT OF EASTERN TRIP

(Continued)

While we were in daily conference with the Department, Senator Phelan arranged a conference with the Secretary of the Treasury, Mr. McAdoo. This conference was held Friday morning, Dec. 10th. At this meeting were present all of our California delegates except Congressman Kent, who was ill in California, all of the chiefs and heads of the Department of Revenue, representatives of New York and New Jersey grape growers, and Senator Pomerene of Ohio. Secretary McAdoo was very much impressed with the statements of Senator Phelan, Mr. Sheehan, Mr. Welch and Mr. Madison. He asked a number of questions and, after a conference of an hour and a half, advised us that he would do all in his power to give the grape grower relief, because he now realized that the present bill was ruinous to our industry. We all felt that this conference was most satisfactory and that we had accomplished a great deal. After being in Washington a week, we realized that it was useless for this committee to attempt to amend the emergency bill, which was to be re-enacted for one year, and after conferring with various people in Washington, we were advised to return home and prepare a bill to submit to Congress when it convenes after the first of the year, and this is practically what we have done.

I wish to state that Congressman Kent gave us wonderful support from his bed-side here in California. He was in daily telegraphic communication with the department, and I find that Congressman Kent is in hearty accord with the ideas of our committee, and that he will give this measure his personal support so as to give us the much needed relief.

Last Friday the Viticultural commission and the committee that went to Washington had a meeting here in San Francisco, and we decided that it would not be necessary for a large delegation to return to Washington; that a committee of two would be sufficient, particularly as the foundation has now been laid and our case and troubles are thoroughly understood in Washington. The Department has practically promised to give us the support we require when we returned if we would suggest a bill along the lines indicated. We are now waiting to hear from either Senator Phelan or Congressman Kent when such a committee should go on to Washington to present our bill before the Ways and Means committee. Of course, you realize that there is a great deal of other legislative work to be done in Washington and it is useless for a committee to go there until a definite date for a hearing has been arranged.

This is as far as the matter has gone up to date, and I have tried to tell you exactly what has been done. While we are hopeful of getting satisfactory relief, still there are many things that can happen and nobody can tell what attitude Congress will take when our bill is presented. This is a matter that is entirely problematical and no one is able to foretell what the final results will be.

Respectfully submitted by,
C. E. BUNDSCHU.
